In the event summary ejectment proceedings has commenced and the Resident(s) tender partial rent after a judgment for possession has been entered, this will not void the continuation of the eviction since the full amount of the judgment for possession has not be paid prior the actual eviction. Resident further agrees that Agent's acceptance of a partial payment of any outstanding balance shall not constitute a waiver of any remaining amount due.

9. **DELIVERY DATE OF PREMISES:** The Agent has not guaranteed a specific delivery date for the Premises, and the Resident will only be charged rent from the later of the commencement date specified at the beginning of this Lease or the date Agent tenders possession of the Premises to Resident.

Resident shall immediately notify Agent of any defective condition that comes to Resident's attention. Resident shall indemnify Agent and Owner for any liability, loss or damage incurred by Agent as a result of Resident's failure to so notify Agent of such defective condition. Resident agrees to pay all expenses associated with clearing all drain lines of all stoppages except those that the technician, who was dispatched to clear said stoppage, will attest in writing was caused by defective plumbing, tree roots, or act of G-d. Any fixtures or appliances that were installed in [REDACTED] located in the

Premises at the commencement of the tenancy that are not specified in this Section of this Lease Agreement, are there solely for the convenience of the Resident and the Agent assumes no responsibility for their functionality.

15. INTERRUPTION OF SERVICE: The Resident will receive no rent reduction, credit, nor any other form of compensation, nor will Agent be liable to Resident, due to repairs or interruption of services to utilities, appliances, or equipment in or about the Premises or due to defects in the Premises; or due to the inability of Agent to obtain proper fuel, utilities or repair / replacement parts. In case it shall become necessary at any time, from accident or repairs, or to improve the condition or operation of the Premises, or any equipment or utilities appertaining thereto, for Agent to stop or curtail the operation of said equipment or utilities, Agent may do so.

16. PEST CONTROL: Resident agrees to immediately notify Agent if there are any signs of pests, rodents or insects in the Premises or common areas. If Agent notifies Resident of a scheduled extermination of the Premises, and Resident fails to prepare the Premises for such extermination in accordance with Agent's instructions, Resident acknowledges that by Resident's failure to comply with Agent's instructions, Resident will have prevented Agent's exterminator from properly exterminating the Premises and other dwelling units in said building. Under such circumstances, Resident acknowledges that Resident will be liable for any damages or losses sustained by Agent as a result thereof and that Resident will have materially and substantially breached this Lease.

In addition, Resident acknowledges that it is Resident's obligation to keep the Premises in a neat, clean, good and sanitary condition, which includes keeping Resident's clothing, furniture, bed frames, mattresses, bedding, curtains and storage closets free of bed bugs and their eggs.

If Resident suspects a bed bug infestation within the Premises, Resident must immediately notify Agent of such suspected infestation at which time Agent will hire a licensed pest control operator to confirm the infestation. The cost of inspection and treatment of the infested area will be at the expense of Resident, if the infestation is due to the Resident's actions or omission to act. Resident shall be obligated, at Resident's expense, to immediately have the Premises and Resident's furniture, mattresses or other effected property prepared for treatment, including but not limited to the installation of mattress covers and, if applicable, removed from the Premises and have the infested area cleaned. In the event that a bed bug infestation spreads from the Premises into other areas, and it is determined that the infestation began in the Premises, whether adjacent to, above or below the Premises, Resident will also be held responsible for the expense of inspection, treatment, eradication and cleaning of such other areas.

17. LEASE VIOLATIONS: If any of the representations made in Resident's Lease Application are misleading or untrue, or if Resident, Resident's family, employees, agents or guests violate any provision of this Lease or any rule or regulation herein imposed, then Agent may treat such representation or Lease violation as a material and substantial breach of this Lease which could result in Resident's possession of the Premises being terminated. Under such circumstances, Agent may re-enter and take possession of the Premises by utilizing applicable law. If Resident's possession of the Premises is ended, or if the Premises should otherwise become vacant during the term of this Lease, or any renewal or extension thereof, the Resident will remain liable to the Agent for the rent through what would have been the expiration date of this Lease, or any renewal or extension thereof, had Resident's possession not have ended due to Resident's breach; and shall further remain liable for such other damages sustained by the Agent due to Resident's breach of Lease and/or Resident's subsequent eviction from the premises; and shall further remain liable for such other damages sustained by the Agent due to Resident's breach of Lease and/or Resident's termination of possession of the Premises so long as such liability is not expressly prohibited by applicable law. Such damages shall include,

but are not limited to, costs incurred in recovering possession of the Premises, costs incurred in re-letting the Premises (such as rental commissions, administrative expenses and a proportionate share of advertising expenses), utility costs for the Premises for which Resident, pursuant to the Lease, is responsible while same remains vacant, and costs incurred in repairing and/or renovating the Premises. Resident shall also be liable for actual costs incurred by Agent in scheduling or affecting a Court ordered eviction of Resident.

19. **HOUSING ASSISTANCE PROGRAM:** Any Resident that participates in the Housing Assistance Program must continue to comply with all the rules and regulations stated in this Lease Agreement, as well as comply with all Housing directives, rules and regulations. Resident's termination and/or revocation from said program shall be deemed a material and substantial breach of the Lease, and the Agent shall be entitled to the speedy recovery of the Premises in accordance with the Lease and all local, public and general laws appertaining thereto.
20. **WAIVER:** The failure of the Agent to insist upon a strict compliance with any of the covenants, rules or regulations of this Lease, or to exercise any option herein contained, shall not be construed as a waiver of such covenant, rule, regulation or option, but that all covenants, rules, regulations and options shall remain in full force and effect. Agent shall not be liable or responsible to Resident for the violation of any covenant, rule or regulation in any other lease by any other resident. No statement or promise of Agent or his agent as to tenancy, repairs, alternations, or other terms and conditions shall be binding unless specified in writing.
21. **ALTERATIONS:** Resident will leave the Premises at the end of the Lease term, or any renewal or extension thereof, in as good condition as received, reasonable wear and tear excepted, and will not, without prior written permission of the Agent, make any alterations, additions, or improvements (including painting and papering) to the Premises. Notwithstanding the above, any alterations, additions, or improvements of a permanent nature which may be made to the Premises shall, at the expiration of the Lease term, or any renewal or extension thereof, at the sole discretion of the Agent, be the property of the Agent and remain with the Premises.
22. **MOLD AND MOISTURE:** Resident acknowledges that it is necessary for Resident to provide appropriate climate control, to keep the Premises clean and take other measures to retard and prevent mold and mildew from accumulating in the Premises. Resident agrees to clean the Premises on a regular basis and to remove visible moisture accumulation as soon as reasonably possible. Resident agrees not to block or cover any of the heating, ventilation, or air conditioning ducts in the Premises. Resident also agrees to immediately report to Agent: (1) any evidence of water leak, water spillage, water damage or excessive moisture in the Premises, as well as any storage room, garage, or other common area; (2) any evidence of mold, mold-like, mildew, or mildew-like growth that cannot be removed by simply applying a common household cleaner and wiping the area; (3) any failure or malfunction in the heating, ventilation, or air conditioning system in the Premises; and (4) any inoperable doors or windows. Resident further agrees that Resident shall be responsible for damage to the Premises and to the Resident's property, as well as injury or death to Resident and any other occupants resulting from Resident's failure to comply with the terms of this paragraph. A default under the terms of this paragraph shall be deemed a material breach of Lease and a default under the terms of this Lease Agreement and Agent shall be entitled to exercise all rights and remedies at law or in equity. Resident agrees to hold Agent harmless in the event any mold contaminants are discovered in the Premises, and from any injuries or damages caused by said mold, except for damages caused by Agent's negligence.
23. **COMPLIANCE WITH RULES AND REGULATIONS:** The Resident, Resident's family, employees, agents, guests, and invitees, will observe and comply with the rules and regulations set forth in this Lease and which are to be considered a part hereof, and with such further rules and regulations as the Agents may adopt. It is further agreed that the Agent may modify the rules and regulations and that a violation of the rules and regulations is deemed a substantial breach of the Lease Agreement and may result in termination of Resident's occupancy of the Premises.

- 24. RIGHT OF ENTRY:** Agent has the right to enter the Premises at any time by key or, if necessary, by force in the event of an emergency, to inspect the Premises, to make repairs/alterations in the Premises or elsewhere on Agent's property, to enforce any provision of this Lease or to show the Premises to prospective future tenants, purchasers, inspectors, and insurance company representatives without being held liable to prosecution therefore, or damages by reason thereof. Resident's refusal to allow entry after 24-hour notice has been given shall be deemed a material breach of this Lease Agreement and may result in eviction. Resident's request for maintenance or repairs to be performed by Agent or Agent's agent or appointee shall be deemed notice to Resident that Agent or Agent's agent or appointee will be entering Premises at a reasonable time.
- 25. ABANDONMENT:** Abandonment of the Premises shall be deemed to have occurred when the Resident has removed the bulk of Resident's furnishings from the Premises. Further, abandonment of the Premises shall also be deemed to have occurred if the Resident's Gas and Electric utility has been turned off for non-payment or the Resident, either through this non-payment or by an act of the utility company returns this service into the name of the Agent. Any such abandonment as previously stated in this paragraph will be considered a material breach of the Lease and will therefore allow the Agent to file summary ejectment or breach of lease court proceedings.
- 26. RE-ENTRY OF PREMISES:** In the event Resident abandons the Premises or is required to vacate the Premises due to Agent exercising its legal rights upon Resident's breach of Lease and obtaining possession of the Premises by court order, then the Agent shall have the right to enter the Premises for the purpose of making alterations and repairs, and may relet the Premises for a term which may, at Agent's option, be less than or exceed the period which would otherwise have constituted the balance of the term of this Lease, or any renewal or extension thereof, all without relieving the Resident of the liabilities imposed by applicable law and this Lease Agreement for any damages sustained by the Agent as a result of Resident's abandonment, nonpayment of rent or breach of lease. Agent shall further have the right, without further notice, to dispose of any personal property left in or about the Premises or storage area by the Resident, after the Resident has surrendered the keys to the Premises and/or the Agent is given possession of the Premises by Court Order.
- 27. DAMAGE TO PREMISES:** In case of damage to the Premises by fire or the elements (not caused by the fault, omission, negligence or other misconduct of Resident, Resident's family, occupants, employees, agents or guests), the Agent will repair the damage, the rent being suspended only for such time as the Premises, in the sole opinion of Agent, shall remain untenable; but if the Premises are so damaged that the Agent shall decide that it is not advisable to repair the Premises with the Resident occupying same, this Lease shall terminate effective the date of the damage, and the Resident shall only be liable for rent to the date of damage. If the damage to the Premises is caused by the fault, omission, negligence, or other misconduct of Resident, Resident's family, occupants, employees, agents or guests, Agent may terminate Resident's occupancy of the Premises and Resident shall remain liable to Agent for the rent through what would have been the expiration of this Lease, or any renewal or extension thereof, had Resident's possession not been so terminated and shall further remain liable for any injury or loss incurred by Agent as a result of such damage, such liability to include a subrogation claim by Agent's insurer.
- 28. SECTION HEADINGS AND NUMBERS:** Section Headings and Section Numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, construe or describe the scope or intent of such sections or in any way affect this Lease.
- 29. HEIRS AND ASSIGNS:** This Lease, and all covenants, conditions, rules and regulations herein contained, are binding upon and shall inure to the benefit of the successors and assigns of the Agent and the heirs, administrators and those assigns of the Resident who shall have been approved, and named in this Lease.
- 30. NOTICES:** All notices from Resident to Agent shall be sent by certified mail, return receipt requested, and addressed to Agent [REDACTED] or to such other location as Agent shall designate to Resident. All notices from Agent to Resident shall be delivered personally or to the Premises, or sent by First Class or Certified Mail, addressed to Resident at the Premises. If more than one person shall be Resident hereunder, notice given to or by any one of them shall bind all.
- 31. AGENCY:** If any employee of Agent at Resident's request, moves, handles or stores anything, or drives or parks Resident's motor vehicle, then and in every case [REDACTED] be

deemed Resident's agent, and Agent shall not be liable for any loss, damage or expense in connection therewith.

32. SUBORDINATION OF LEASE: This Lease is subject and subordinate to any mortgage or deed of trust now or hereafter covering the property of which the Premises leased hereby is a part and is subject and subordinate, also, to any extension, renewal, modification, replacement or consolidation of any such mortgage or deed of trust. The provisions of this Section shall be self-operative and no further instrument of subordination shall be necessary. Promptly upon the request of any person succeeding to the interest of the owner of the property of which the Premises are hereby leased is a part, whether through the enforcement of any remedy provided for by law or by any such mortgage or deed of trust of such interest in lieu of foreclosure, the Resident automatically, without the necessity of executing any further document, will become the Resident of such successor in interest.

33. SEVERABILITY: If any provision of this Lease or application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this Lease which can be given effect without the invalid provision or application; and to this end, the provisions of this Lease are declared to be severable.

34. UTILITIES:

Resident shall, as of the Lease Commencement Date, be responsible for the costs of all utilities designated as "RESIDENT RESPONSIBILITY" below. Payment of utilities, together with all taxes, levies or other charges on such utilities used in or about the Premises during the Term of this Lease, and any renewal or extension thereof, will be made either (1) directly to the utility companies after Resident transfers the utilities into Resident's name; (2) payment to the managing agent within ten (10) days of receipt of the invoice; or (3) payment to a third party billing company, designated by the managing agent, within ten (10) days of receipt of the invoice. If the gas, electric, water and sewer services are transferred into the resident's name, if applicable, the resident shall continuously maintain and pay directly for all applicable utilities for the property throughout the Term of this Lease, and any renewal or extension thereof.

UTILITY	OWNER/AGENT RESPONSIBILITY	RESIDENT RESPONSIBILITY
Electricity		X
Gas		X
Heat and Hot water		x
cold Water	Included in rent	
Sewer	Included in rent	

Unless excepted above, Resident is responsible, throughout the Term of the Lease as extended and renewed, for the payment of all utilities together with all taxes, levies or other charges on such utilities (the "Required Utility Service") including, but not limited to, gas, heat, air conditioning (where available), electricity, hot water, water and sewer, cable (optional, where available, installed and paid at Resident's sole cost and expense) and telephone (where installed and paid at Resident's sole cost and expense), whether the utility service(s) is being billed directly to the Resident, by the Agent or by a third party billing company.

Resident agrees that Agent shall have the right to temporarily discontinue utility services in the event of any accident affecting the same to facilitate repairs or alterations made within the Premises or elsewhere in the community. Agent shall not be liable in any manner for failure, interruption, or stoppage of gas, electric and/or water at any time when beyond the control of the Agent, and Resident expressly releases Agent of all liability in connection therewith; nor shall such failure be grounds for reduction or abatement of rent.

Resident agrees the method of metering or otherwise measuring the cost of the utility exists under one or more of the following methods:

- (1) Sub-metering of utility (electric and/or gas and/or water);
- (2) Flat rate per month; or

- (3) Allocation or calculation method based on number of persons in the dwelling, square footage of the dwelling, number of bedrooms in the dwelling, or a combination of these methods.

If an allocation method is used to bill resident for utilities, Agent or its third party billing company will calculate Resident's allocated share of the utilities and services provided and all costs in accordance with state and local statutes. Under any allocation method, Resident may be paying for part of the utility usage in common areas or in other residential units as well as an administrative fee of one dollar (\$1.00). **Both Resident and Agent agree that using a calculation or allocation formula as a basis for estimating total utility consumption is fair and reasonable, while recognizing that the allocation method may or may not accurately reflect actual total utility consumption for Resident, which may be slightly higher or lower.** Where lawful, Agent may change the above methods of determining Resident's allocated share of utilities and services and all other billing methods, at Agent's sole discretion. Resident may request more detailed descriptions of billing methods, calculations and allocation formulas, if desired.

Agent shall have the right, at its sole option to negotiate and contract for the provision of electricity, gas, telephone, cable or any other utility service to the Property and the Premises, from any company or companies providing such service in order to provide any such utility service to the Property and the Premises. Resident shall fully cooperate with Agent and any alternative service provider at all times, and as reasonably necessary, to allow access to the Premises for the purpose of installing, maintaining, inspecting, repairing, or altering any utility lines, meters, feeders, wiring, or any other equipment or machinery. In the event Agent contracts with an alternative service provider, Resident agrees to purchase utility service from such alternative service provider. Should Resident not obtain, continuously maintain, in Resident's name, and keep payments current for the Required Utility Service for the entirety of the Term as extended or renewed, the Agent, at its option, may pay same for Resident's account, in which event Resident shall immediately, as additional rent, reimburse Agent therefore with interest and any other charges allowed under this Lease and at law. Despite Agent's decision in its sole discretion to pay Resident's utility accounts, Resident shall be in default under this Lease and subject to all rights and remedies Agent may have hereunder and at law.

Resident will be charged for the full period of time that he or she is living in, occupying, or responsible for payment of rent and utility or service charges on the apartment. If Resident breaches the Lease, he/she will be responsible for utility and service charges for the period he/she was obligated to pay the charges under the Lease, subject to Agent's mitigation of damages. In the event Resident fails to timely establish utilities and services, Agent may charge Resident for any utilities and services, billed to Agent with respect to the Premises and may charge a reasonable administration fee for billing such utilities and services in an amount not to exceed Twenty-Five Dollars (\$25.00).

Resident agrees to (a) maintain the heat for the Premises at a minimum temperature of fifty-five (55) degrees during the period of October 1st through April 15th each year in order to avoid the possibility of burst pipes, and (b) promptly report to Agent in writing any water leaks within or about the Premises. Any and all damages caused to the Premises, the Property, or adjacent premises as well as additional costs or fees as a result of the breach of this obligation under the Lease shall be the responsibility of Resident.

Resident understands and agrees that, unless water is included in the rent charges, the amount of the water and sewer charges will vary periodically depending on the amount of services used, the rates charged by the various utility companies and governmental agencies, the number of persons authorized from time to time to reside in each of the apartments in the Community and other factors.

- 35. ATTORNEYS' FEES, AGENT FEES AND COURT COSTS:** Resident agrees to pay all court costs, Agent fees, and Attorney's fees, incurred by the Agent in enforcing legal action or any of the Agent's other rights under this agreement or any federal, state, or local law. Resident shall pay to Agent the reasonable costs incurred by Agent in utilizing the services of said collection Agency, even if at the time of the proceeding the Tenant has satisfied the outstanding balance owed. Similarly, should Agent employ an attorney because of any Lease violation, the Resident shall pay any such reasonable attorney fees as are incurred by the Agent. Resident shall be liable for such fees whether or not

Agent institutes legal proceedings. However, where legal proceedings are instituted by Agent against Resident, and said proceedings result in a monetary judgment in favor of Agent, those reasonable attorney fees for which Resident shall be liable to Agent shall not be less than fifteen percent (15%) of said judgment.

36. **RIGHT TO SIGN:** The individual(s) signing this Lease Agreement as to Resident stipulates and warrants that he/she/they have the right to sign for and to bind all Residents.
37. **SMOKE DETECTORS:** At least one smoke detector has been installed in the Premises, and all installed smoke detectors are operable at the time of move in. It's the Resident's responsibility to maintain its appliance including testing periodically and replacing batteries as recommended by the manufacturer, or as otherwise may be required, at Resident's sole expense. Resident shall be responsible to maintain all smoke detectors in Premises in fully operable condition. In the event the detector is missing or inoperative, and the Resident cannot repair or replace said smoke detector, the Resident has an affirmative duty to notify the Agent immediately via Certified Mail or in person, and shall pay for the repair or replacement to be collected as additional rent. If the Resident notifies the Agent in person, the Agent must provide a written receipt acknowledging the notification. If the Agent is notified that the property will receive, or has received a violation or citation for something that is the responsibility of the Resident, including but not limited to trash, the Agent may at Agent's sole discretion take the necessary action to resolve said issue, and the Resident will be responsible to reimburse the Agent and said expense will be collectable as additional rent.
